### COMMANDER'S CORNER

Comrades,

First and foremost, I hope that all is well with you and your families! We've had a somewhat busy couple of months and I want to share some of the highlights.

Thank you to everyone that helped make our Holiday Party a great success. We had over 50 people in attendance and it was a great evening. We had a record number of local businesses that donated to our raffle and had a record number of prizes to raffle off!

Please make sure to see the list of sponsors in the following pages and patronize them!

Myself and Quartermaster Joe Grehan had the privilege to attend the VFW National Legislative Conference in Washington, DC. We met with the VFW Commander-In-Chief Vincent "B.J." Lawrence who presented us with an award. In attending the conference, we also participated in "Storming the Hill", in which we spoke (lobbied) staff members from Rep. Tom Souzzi and Rep. Pete King's office on the VFW agenda in assuring Veterans benefits. Rep. Souzzi's intern "Sarah" was gracious to give us both a personal and private tour of the Capitol. We also attended the Commander-in-Chief testimony on Capitol Hill before the House and Senate Veterans' Affairs Committees.

Next up is nominations and elections, then Memorial Day is right around the corner. I hope to see everyone at the meeting in force. As Commander-In-Chief Vincent "B.J." Lawrence says, "Make it Happen!"

Commander,

*Kris Kilgour*
